Elizabeth Football Club - Round 10

volume 3 issue 10

## WE'VE GOT THAT WINNING FEELING

### A Grade (win/loss ratio 4:6)

Elizabeth FC 23.17 (155)  
Ingle Farm 10.8 (68)

#### A Word From A Player

We ventured down to Rowe Park to face Ingle Farm who had beaten us in the first round of 2008. We did not want a repeat of this to start off the second round matches and were hoping we could continue the good form from the previous week.

Right from the start of the game we looked the better side. Donga in the ruck started off on fire tapping everything down to his roving team mates. Clearances and inside 50's quickly built up as we put our foot on the accelerator and took the win.

Chris King was everywhere using his endurance to run all day and collect possessions at will. Stobbe was unstoppable down back just sweeping across the half back line stopping any forward thrusts Ingle Farm had. Trent continued his top form bagging another 7 majors and Gary McNamara's tackling all day was a joy to watch.

This week we come up against Blackfriars who, like Ingle Farm, beat us in the first round matches this year. We were in a winning position against them last time and I believe we can knock them off with the form we're in.

#### A Word From The Coach

We went down to Ingle Farm last week and got off to a great start with the wind in the first quarter. Then their big fellas started with the rough tactics in the second and third quarters. Unfortunately at this time a lot of our guys went missing and looked a bit scared.

To our credit in the last quarter, led by some of our younger players of Ben Taylor, Rob Gutridge and Kyle Young, ran Ingle Farm of their legs.

We ran out comfortable winners. Now we need to start putting four quarters together if we want to beat the top sides.
