EAGLES SMASH KENILWORTH...AGAIN

A Grade (win/loss ratio 5:8)

Elizabeth FC 29.23 (197)
Kenilworth 6.7 (43)

A Word From the Vice Captain

A great turn around this week by the guys, its a much better feeling winning by 20 goals than losing by 20.

It was a dominant performance by the eagles for three quarters, with only the second quarter letting us down. A few undiscipline acts again cost us goals. Some guys just need to bite their tongues and just play football (you know who you are!).

There were some stand out performances, Stobbe was good all day and Ryan Allen has stepped up to the plate in the midfield. Young Benny keeps finding the ball which is great, and Stringer was lively up forward kicking 5 in the last half.

This week is another important game for us, it's a must win if we want to play finals footy. Lets make sure we smash the old enemy this week!

A Word From The Coach

The guys played Kenilworth last week and it was a very good result after last week's performance. Still with numbers down for selection we took to the field one player short on the bench.

Everyone who put their hand up played well. There were still a lot of unforced errors which we have to try and cut out of our game if we are to match it with the top sides.

Now with finals looming everyone has to put there best foot forward and take their opportunity to cement their spot in the side, good luck.

Guys have the chance to show what they've got this week against Smithfield. We will need to all rock up switched on to ensure a victory against our hometown rivals.
