Elizabeth Football Club - Round 7

volume 3 issue 7

## ANOTHER WEAK WEEK

**A Grade** (win/loss ratio 2:5)

Rosewater 18.14 (122)  
Elizabeth FC 10.9 (69)

### A Word From The Captain

It would have been perfect to say that we had a win in my 200<sup>th</sup> game for the club but unfortunately it wasn't to be. We started the game on fire, kicking the first four goals and looked like recording a big win. However to Rosewater's credit they played a more attacking and accountable game and effectively had control of the game by half time.

I thought patches of our third and fourth quarters were more positive with better run on football however in the end we were simply not good enough on the day. I know the boys are disappointed by the loss but I hope they don't take it too much to heart. All of the players worked their butts off and gave it their all.

Rosewater are a good side and much better than their position on the ladder. For us to be competitive and get out of the lower rungs of the ladder we need to massively improve our skills and decisions under pressure which is costing us games we could win. We need to get it right this week against another strong side in Plympton, who I believe we can beat.

**B Grade** (win/loss ratio 4:3)

Rosewater 13.5 (83)  
Elizabeth FC 9.10 (64)

### A Word From The Vice Captain

The B Grade started off by opening up a 3 to 4 goal lead in the first quarter but Rosewater bounced back in the second quarter to lead into the half time break.

After half time the boys fought hard but were unable to hold Rosewater down. During the fourth quarter the boys had plenty of the footy but couldn't get over the line. In the end Rosewater won 83 to 64.

Mick Richards played a good game with some heavy bumping in the backlines. Darren Ellis was effective through the middle of the ground and Andy Webber played a strong roll up forward slotting four goals.

Some hard work on the track this week and being mentally switched on should hold us in good stead against Plympton who are sitting second on the ladder. There is no reason why we can't take the win on Saturday.
