Elizabeth Football Club - Round 8

volume 3 issue 8

A GRADE LETS IT SLIP

A Grade (win/loss ratio 2:6)

Plympton 19.10 (124)
Elizabeth FC 14.13 (97)

A Word From A Player

Plympton Oval hasn't been our favourite venue in the past but as all the boys arrived there for the game there was a good atmosphere and feeling.

This pre-game attitude turned into a great on field performance for the first half. The tackling, pressure and 1 percenters were creating chances that we were capitalising on.

At half time we were about 5 goal up and looking good but during the third quarter we let Plympton pull back our lead to just a couple of goals by 3 quarter time.

Starting from the first bounce of the final quarter we looked like a different side, lacking the pressure and hard work we had for the first three quarters. As a result we gave Plympton a sniff and that was all they needed.

Guys like Donga, Cotter and Just played there parts but too many guys faded away at three quarter time.

This week we'll have to give a 4 quarter effort to bury Central United.

A Word From The Coach

The B Grade gave a very ordinary performance from a side I expect a lot more from. Out of four quarters of football we only won one quarter and lost by 31 points.

If we an all get out to training and improve our skill level and fitness we will match it with every team in the division.

Sorry for the short review this week but there isn't much more to say, other than get the #%#@ out to **TRAINING...BOTH GRADES!!!**
